The Aidmatrix Network™

Volunteer Organizations Receive Donated Resources!

One of the challenges for volunteer organizations is to get the right types of aid to the right people on the ground. Alabama is introducing a new program to give you access to offers of donated resources.

The Aidmatrix Network is a powerful, in-kind donations management system. Sponsored by FEMA, the Aidmatrix Foundation, Inc. and other large corporate donors, this national program links donors, government, and voluntary organizations. The goal: to streamline the giving process to deliver "The Right Aid to the Right People at the Right Time™." See Governor's Office of Faith-Based & Community Initiatives Website at
